Abstract

TODO: Summarize the motivation, approach, principal results, and conclusions.

Introduction

TODO: Describe the background, problem, and objectives.

Methods

TODO: Describe the approach, resources, and reproducible procedures.

Results

TODO: Report the findings and add figures or tables as needed.

Discussion

TODO: Interpret the findings, limitations, and future work.

Conclusion

TODO: State the main conclusions.

Acknowledgements

TODO: Acknowledge support, funding, and other contributors.

Author contributions

TODO: Describe the confirmed contributions of each author.
